#### Dedication

To one whose sincere devotion, generosity, and kindness have helped to create a feeling of unity and friendliness among students in classes and on the campus we, the Senior Class, do dedicate this, the fifth volume of "The Torch," to Mrs. Mary N. Kellam.

## ALMA MATER

Standing near the Chesapeake  
With its waters clear,  
Looking toward a great old ocean  
Does our school appear;  
Near the homestead of the Indians,  
Who in former times  
Roved the paths of old Northampton,  
In our pleasant climes.

Chorus:

Oh Northampton! dear Northampton  
Praise her to the sky!  
Hail to thee, our Alma Mater  
Hail! Northampton High!

## II

From her walls so calmly standing  
She will serve our Youth;  
May her sons and daughters laud her,  
In their search for Truth;  
Marching onward, ever onward  
We revere her name,  
May the future smile upon her  
Seeing then her fame.

*That little  
head is  
suppose  
to be me!*

*This is  
Phyllis*

At the beginning of the year nineteen hundred and forty six, ninety-seven of us, frightened but eager, entered the halls of Northampton High destined to be the graduates of the tenth anniversary year.

As freshmen we began our acting careers by a radio type performance of a Christmas Carol. This was quite successful, so,

when we became sophomores, we furthered our careers with our own adaptation of "The Monkey's Paw". When we became juniors, things really began to pop! The outstanding event of the year was our Junior-Senior Prom, which was pronounced by both students and parents, "the best prom ever!"

"MONKEY'S PAW"

Finally, we achieved the height of seniority, and it was our turn to produce the tenth anniversary issue of "The Torch."

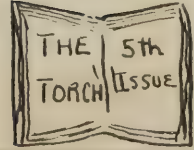

Many changes have been made during our four years. New students have been added to our roll, and some other places or have dropped out. The student council has been organized and other additions such as movies, driving lessons and physical education have been made.

# THE STUDENT COUNCIL

The purpose of the Student Council is to foster the development of good citizens by offering opportunities for working out school problems in a democratic way.

The Council, under the direction of Mr. Badger, who is the faculty advisor, plans to print a student handbook, and to improve assembly programs and social activities for the school.

The Dramatic Club of Northampton High School was organized for the session of 1949-50 on November 11.

The club plans under the direction of Mrs. L. W. Smalley and Miss Elizabeth Jones to participate in the One-Act Play contest, sponsored by the Virginia Literary-Athletic League, and to sponsor the Senior play in the spring.

The club hopes to present bigger and better plays than have been presented in the years before.

Ten years ago the Good Citizen's Club was organized by Mr. G. B. Wynne, who has donated much of his time and interest to it.

The purpose of this club is to aid young people through debating, public speaking, and other forensic activities to become good citizens.

The plans for this year have been changed from that of last year. The debating team will go to Norfolk to compete with Group B Schools. Should it win, the team will then enter the finals at the University of Virginia.

The subject for the state debate in the spring of 1950 is Resolved: That the President Should be Elected by Popular Votes.

Treasurer.....Bobby Savage  
Secretary.....Carol Lyn Russell  
Reporter.....Monte Bell

The Science Club made more progress this year than it did last. Plans were made for three groups: photography, radio, and astronomy, a group that was new this year.

The photography group tried some new chemicals that are claimed to be much improved over the ones used in the years before. This group planned to send an exhibit to the Williamsburg Science Fair.

The radio group got a radio kit to build. This radio kit was a four-in-one kit which can be used as a receiver, a transmitter, a code practice oscillator, and an amplifier.

The astronomy group bought a one hundred power telescope. They took some pictures through this telescope to send to Williamsburg Science Fair.

## FUTURE FARMERS OF AMERICA

### AIMS AND PURPOSES

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. The specific purposes for which this organization was formed are as follows:

1. To develop competent, aggressive, rural and agricultural leadership.
2. To create and nurture a love of country life.
3. To strengthen the confidence of farm boys and young men in themselves and their work.
4. To create more interest in the intelligent choice of farming occupations.
5. To encourage members in the development of individual farming programs and establishment in farming.
6. To encourage members to improve the farm home and its surroundings.
7. To participate in worthy undertakings for the improvement of agriculture.
8. To develop character, train for useful citizenship, and foster patriotism.
9. To participate in cooperative effort.
10. To encourage and practice thrift.
11. To encourage improvement in scholarship.
12. To provide and encourage in the development of organized rural recreational activities.

The Northampton chapter of the Future Home Makers of America have had a very successful year in which much was accomplished.

The fall rally of the Eastern Shore Federation took place at Northampton High School October 18, at which time the officers of the year were installed by the very impressive candle light ceremony.

In December the local chapter sponsored a Christmas exhibit at the cottage. The gifts displayed were varied and colorful. Many parents, members of the faculty, and students attended.

In January the F. H. A. sponsored a bazaar, the proceeds of which were used for project work.

A movie was sponsored by the club in February.

In April the club delightfully entertained at the annual Mother-Daughter Banquet.

Although the members of the club worked hard as a group to make the club projects a success, many hours of play were also shared.

The Library Club was reorganized in November 1949 with thirteen members, all Library Assistants, who donate most of their time to learning more about the work of a library and activities of a librarian. They are looking forward to someday being members of a state organization of library assistants which is in the making.

The Camera Club of N. H. S. was organized this year with the hope of proving an asset to the school. This club is sponsored by Mr. George Young.

The fifty-five members have met several times and have planned as their project of the club to keep a scrapbook including pictures of classroom activities, sports, and other interesting incidents.

We also hope to learn more about the art of photography, how a camera works, and the process of developing. The club has also planned to visit local photograph shops. This will help us in understanding how the pictures are developed.

With these things in mind the Camera Club hopes to have a very successful year.

The Newspaper Club was organized in November, 1949. Its purpose is twofold --to publish the latest news of the school and to provide space for publishing original stories, poems, etc., written by members of the student body.

The first copy of the newspaper was published without a name, as the staff had decided to let the student body suggest a name. Names were turned in to the Editor. The staff chose four of the best names and had the student body vote on them. A free subscription for the rest of the year was given to the winner, Joyce Tilghman, who named the paper, "Northampton Hi-Lites."

Four issues have been published this year, and we hope to continue our work next year.

The baseball team of Northampton High School has seven lettermen returning and some very good prospects coming from the undergraduates.

Last year, the Yellow-Jackets, coached by Russell Kellam and Rodney Warren, finished the season with a record of five win and two losses, with one of the games having finished in an unofficial tie.

Coach George Young expects to field a fast and experienced team, as quite a few members of last year did not receive a letter but gained valuable experience.

Last year's lettermen not shown in the picture are: George James, Sonny Smith, John Small, Grayson Fitzgerald, and Ben Kellam.

### FRESHMAN VOLLEYBALL TEAM

### SOPHOMORE SOFTBALL TEAM

This year each of the girls' classes had volleyball, softball, and basketball teams. The softball schedule was as follows:

Freshman vs. Sophomores	November 23	Soph. 9	Fresh. 8
Junior vs. Senior		Junior 16	Senior 8

The two winning teams, Sophomores and Juniors, then had their play off in November, the Sophomores going off with the victory.

The volleyball schedule was as follows:

Freshman vs. Sophomores	November 16	Soph. 32	Fresh. 33
Junior vs. Senior	December 12	Junior 36	Senior 34

These two winning teams, Freshman and Junior, had their play off January 12. with the Freshman taking the title "N. H. S. Volleyball Champs" of 48-49.
